

What primary is your child in, in school?	What gender is your child?	Does your child play games on an iPad/Phone/Computer?	Do you encourage your child to play educational games?	What apps do your child use? (apps, websites, games)	When purchasing games/apps for your child, what do you look for?	Would you encourage your child to learn a language at their age, regardless of what the school is teaching?	Does your child learn any languages at school?	Does your child's school offer Sign Language lessons? (Including after-school clubs, lessons in class.)	If there was an app that taught your child Sign Language, would you encourage your child to use it?	How much would you be willing to spend on an app to teach your child Sign Language?
